Proudly Held Since 1989 â## A Quality Flood-Free Brick & Tile Home

Offered to the market for the first time since 1989, 5 McFarlane Street presents a rare opportunity to secure a high-calibre home that has been carefully held and maintained for over three decades.

Constructed with timeless brick and tile, this low-set residence offers durability, practicality, and the kind of solid craftsmanship that has stood the test of time. Positioned on flood-free land, the home provides peace of mind while delivering comfortable, easy living in a well-established and highly regarded neighbourhood.

Inside, the home offers a functional layout designed for everyday living, with generous living spaces, well-proportioned bedrooms, and a welcoming atmosphere that reflects years of careful ownership. The low-maintenance construction and single-level design make it an appealing option for families, downsizers, or buyers seeking a quality-built home with lasting value.

Homes of this calibre, particularly those held by the same owners for such a long period, rarely come to market. This is an opportunity to secure a solid, flood-free property in a tightly held location.

A property defined by quality, longevity, and pride of ownership.
