Quality Affordable Acreage Living

Enjoying a private high side position, behind double electric gates, opening to reveal a concrete driveway meandering up to the house, your inspection will reveal a spacious family home, with the outdoor entertainment area and powered 9m x 6m shed complimenting a spacious and inviting home in this convenient and progressing location.

The natural beauty of solid timber bench tops immediately catches your attention in the spacious open plan kitchen, with a stainless steel cooking range taking centre stage, with a suitably impressive 900 wide cooker-hood above, all of which is supported by quality appliances, and abundant storage space throughout, including a handy storage area for tea and coffee. Perhaps best of all, it is positioned to allow easy views out over the back yard, where you can watch the kids messing about on the play fort (which is included in the sale) while you work away in the kitchen, assuming you're not out there relaxing in the covered outdoor entertainment area.

Incidentally you may also notice the very contemporary elegance that comes only with well laid, large format porcelain style floor tiles, which flow throughout much of this inviting home.
