

34 Half Moon Drive, WAGGRAKINE, WA 6530

GREAT BLOCK GREAT PRICE

808.00 square metres,

Fantastic level lot offered for sale in Half Moon Drive at a price that will appeal.

The owners were going to build their retirement home on it so gave it great consideration when initially buying it.

Being in Half Moon Drive, you benefit from the gentle gradual incline as you drive up Chapman Valley Road, so that by the time you get there, you get a look at both the ocean and at night the city lights.

You don't have to settle for those piddling small city size blocks.

This is a ripper.

Over 800sqm (804sqm to be exact) with a super wide 23 metre frontage, will allow you to build your dream home and keep access to the rear yard.
