

31 Park Avenue, STREAKY BAY, SA 5680

Affordable, Vacant "Town Centre" Allotment with Shed!

710.00 square metres,

This is one of only a very few vacant allotments available for sale in the original town square!

Situated in a quiet street location, positioned directly across the road from the golf course and just a few minutes walk to the town centre and don't forget a very short drive all of Streaky Bay's magnificent beaches and facilities.

The allotment comprised of 710m2 boasts 20m of road frontage, fenced on all 3 sides and has mains water and power now connected to the property. Another added benefit comes in the form of a shed that is already in place perfect for storage.

There are also no restrictions on this property (STCA) which means that you can have a transportable delivered to the property alleviating the wait for a builder!
