

7 Frank Cooper St, SOUTH WEST ROCKS, NSW 2431

ATTENTION ALL GOLFERS - Flat Functional Home

Fabulously positioned and well built home is only meters from one of the best golf courses around the Mid North Coast.

You can not question the quality of the build or the location, yes it is 20 years old but the location is almost as good as it gets. Not the mention that the price is right.

The home has quite an open feeling with a family and dining leading to the huge enclosed north facing entertaining area. With the kitchen being centrally located that will suit any family that like visitors. There is also a huge formal lounge to the front of the home.

Currently set up as a three bedrooms with built-ins in all and a neat ensuite to the main, however you could sacrifice the formal lounge as another bedroom if needed.

Whilst there is limited side access the home is well set back and would easily house any boat & van out front or you could even put up a large carport.
