

13 Mission Hill Road, PENGUIN, TAS 7316

NOT ONLY AN INCREDIBLE SEAVIEW...

Full of charm and character, natural timbers from many years gone by, perched atop an elevated hillside with panoramic views of some of Tasmania's prettiest coastline.

Circa 1920, the features and space across both levels combined with its beautiful aspect will impress.

Featuring 3 bedrooms and a study, the master bedroom upstairs with parents retreat and an abundance of room for a sitting area, plus your own walk in robe, ensuite and where the views become ridiculously impressive!

The cosy lounge room looks over the rear decking to the child and pet friendly rear yards.

A fractured floor plan and design where your dining and lounge are separate as is the modern kitchen, throughout the home it provides a welcoming feel.
