"THAT HOUSE ON THE HILL!"

The views are endless and so are the possibilities with this 3-bedroom, 3-bathroom home.

Set on 1.894 hectares (approximately 4.5 acres), the home provides for great family living with open living areas, modern kitchens and bathrooms, plus the benefit of a self-contained area on the ground floor suitable as a teenagers retreat or income producing.

There is a separate stand alone studio - ideal for small home business, art or music studio or just an extra space.

The views from the 3 decks to Bass Strait and rural surrounds bring a sense of harmony to this unique home.
