All round comfort with a heated pool!

This stunning home built by GJ Gardner exudes elegance with its Hamptons styling and thoughtful design, making it the perfect sanctuary for you and your family. Boasting three generously-sized bedrooms, the master suite is a true retreat with a walk-through robe and a luxurious ensuite featuring a double vanity, large shower, toilet, and floor-to-ceiling tiling in serene neutral grey tones. The additional bedrooms are equally inviting, each with built-in robes and access to a stylish family bathroom complete with a deep bath, wall-hung vanity, separate shower and floor to ceiling grey subway tiling. The modern kitchen is a chef's delight, overlooking a spacious living and dining area with a raked ceiling that enhances the sense of space and light. The kitchen itself is equipped with stone benchtops, an island bench with power, a large gas cooktop, an electric under-bench oven, and a cleverly designed open pantry. A second living area provides a comfortable space for relaxing, entertaining or cosy tv nights. Comfort is paramount in this home, with ducted evaporative cooling, ducted gas heating, and a combustion heater set in a feature mantle in the family room while matte black ceiling fans are thoughtfully placed throughout to ensure year-round comfort. Step outside and enjoy the ultimate entertaining space, complete with an outdoor fireplace and zip track blinds to protect you from the elements enhanced with an inground swimming pool heated with a heat pump and spa and modern glass fencing that promises endless all year fun. A double lock-up garage with remote access and solar panels to the roof provide convenience and energy efficiency.
