

2/190 Lawrence Street, WODONGA, VIC 3690

Modern, Light-Filled Living with a Stylish Edge

There's something effortlessly appealing about a home that feels both fresh and thoughtfully designed, and Unit 2/190 Lawrence Street delivers exactly that. Completed just over 12 months ago, this beautifully finished townhouse offers a low-maintenance lifestyle without compromising on style, comfort or space.

Step inside and you're immediately welcomed by the sense of openness, with tall ceilings enhancing the proportions of the main living zone. The open plan design brings together living, dining and kitchen in a way that feels both practical and inviting, creating a space that works just as well for quiet nights in as it does for entertaining.

The kitchen is a real standout, blending timber-look finishes with modern green cabinetry and striking gold accents to the tapware and handles. Stone benchtops, a ceramic cooktop and electric wall oven complete a space that feels as good as it looks.

Accommodation is well considered, with two bedrooms offering comfort and privacy. The master suite features a walk-in robe and ensuite, while the second bedroom is generously sized and easily accommodates a double bed, serviced by a full family bathroom ideal for guests or shared living.
