Beautiful Family Home!

A step inside the front door reveals a haven of low maintenance modern living where four generously sized bedrooms merge seamlessly with open-plan sophistication. The master bedroom with a sunlit ensuite boasting timber look finish to the double vanity. The remaining bedrooms, each featuring built-in robes providing space for the remaining members of the family or guests.

The heart of any home is undoubtedly the kitchen, and the kitchen in this home certainly delivers! A stand-alone 900mm gas cooktop and electric oven pair with a sleek stone benchtop, while the island bench, crowned with striking pendant lighting, invites social cooking experiences. The walk-in pantry provides ample space for any home chef with the dishwasher helping to ensure that clean-up is as breezy as your lifestyle.

Flowing from the kitchen, the open-plan living area is a testament to thoughtful design, featuring a study nook that seamlessly integrates work and relaxation.

Step outside to the rear, where a covered entertaining area awaits. It's the perfect backdrop for morning coffee, intimate gatherings or tranquil evenings with a glass of wine, all while the double lock-up garage with remote access adds a layer of convenience and security.
