

11 High Street, CHILTERN, VIC 3683

A property that feels like home, from the moment you arrive.

Framed by established gardens and the timeless character of a bygone era, 11 High Street, Chiltern captures the essence of country township living – relaxed, refined, and full of heart.

Set on over half an acre, this beautifully presented period home enjoys rare space and privacy right in the heart of town. With dual access from both High and Albert Street, the property offers effortless versatility – room for future inclusions such as additional shedding, a swimming pool, or guest cottage (S.T.C.A), or simply the freedom to enjoy the open surrounds. Wide front and rear verandahs invite you to slow down and take in the gardens, while excellent car accommodation – including a carport and shed/workshop – and an old tennis court complete a truly picturesque setting.

Inside, original features take centre stage – lofty ceilings, timber floors, and a traditional fireplace that anchors the home with warmth and authenticity. The three-bedroom layout is both comfortable and functional, complemented by a well-appointed kitchen and dining zone that blends charm with everyday practicality. A beautifully maintained bathroom and multiple split systems ensure comfort and ease throughout the seasons.
