

26 Belgrave Avenue, WODONGA, VIC 3690

Low maintenance living!

Positioned within minutes of central Wodonga, boasting a 6x6m powered shed, and with just a sprinkling of inspiration, this home will positively shine for families. Featuring a large lounge, dining space and over-sized kitchen, there's also 3 bedrooms, family bathroom and ducted cooling and heating. There's a lovely little courtyard off the dining space, as well as a small deck off the kitchen that leads down to the secure and extra-large carport with an electric roller door. Did we mention a 3.3kw solar power system to keep your energy costs in check? Outdoors is definitely all about that awesome shed, which has concrete floors, and there's direct access to it through the carport. Thanks to the family sized block, there's still room for the furry companions or a large trampoline.. Homes this close to the CBD and with powered sheds are a bit of a rarity so enquire today!
