Garden Haven, Close to the River with Excellent Outdoor Living

Gardens, privacy and outdoor living, if this ticks all your boxes for your next home then this is home is for you. A special U shaped home with an outdoor patio overlooking an established garden is the centre piece of this family home. An added bonus is the high end kitchen, with dishwasher, extensive cupboard space and finest quality craftsmanship. Off this beautiful kitchen is a small rumpus room and family dining area with an added separate pantry.

Beautiful glass doors open from the formal lounge/dining room onto the outdoor entertainment area creating a seamless indoor outdoor living space. A well placed wood heater in the lounge and dining area keeps the living area of this home well heated in our cold winters.

All bedrooms (2 with built-in cupboards) are set on the northern side of the house and are very private. A small office off the main bedroom would suit a nursery as well. Separate toilet and fully renovated bathroom close to all bedrooms. Large Laundry opens onto a 4 vehicle carport, making it easy to unload the groceries. Large garden shed for all your tools and mower. Air-conditioners and an evaporative system keep this home cool throughout the summer. Book your inspection today with Janette 0419988839.
