Solid Brick Home on 5240m²

Opportunity knocks at 62 Harvey Road, Glenwood. Set on a generous 5240m² allotment, this brick home features 3 carpeted bedrooms, 2 bathrooms and offers a solid foundation for those ready to roll up their sleeves and add their own touch.

While the home could use deep clean and some updates, the structure is sound, and the layout is practical. Whether you're looking for your first home, an affordable acreage project, or a smart investment, this one is worth a look.

Entering the home you are greeted to an open plan living and dining area which features tiled flooring and a fireplace, providing warmth and comfort through the cooler months. Outside features a separate 2 bay shed with enough room for a workshop or extra storage, perfect for those weekend projects. The block is dotted with some established fruit trees and even includes a bore with irrigation pipes for the established gardens, making watering easy for for those with a green thumb.
