Double the Lifestyle

\$900,000 for both Unit 10A 323/325 and 10B 323/325 if sold together. \$465,000 if sold separately.

Ever wanted to live by the beach? Well, this stunning 2 Storey home overlooks the beach in a well-maintained group of homes that you walk out your door down the drive and you are at one of the most beautiful beaches on the West Coast â## Geraldton's famous Back Beach, just perfect for swimming, surfing or family fun.

Each consisting of 3 good sized bedrooms these 2-storey homes have the lot. Renovated inside with easy living in mind and soft colours, large kitchen, 2 WC's, separate laundry, plenty of storage, paved courtyard, which is fully fenced, spa in the upstairs bathrooms and balconies that have clear blinds which don't detract from the lovely view over the ocean & both garages also have electric roller doors.

The bonus with this is you could be living in one and having the other one being paid off whilst you enjoy the sunsets sipping wine and eating cheese.

Seriously this duo is a must have to add to your portfolio as they can gain a serious amount of rent per week, so these are well worth considering.
