

17 Thirteenth Street, RENMARK, SA 5341

When Location Matters!

This beautifully designed 3-bedroom brick veneer home is located the river end of Thirteenth Street, so certainly ideally located. The home boasts master with en-suite and built-in robes, along with built-in robes in bedrooms two and three. There's a walk-in pantry/storage in the hallway and the added bonus of a built-in desk and air conditioning outlet in the long, single garage. Cooling is via a ducted reverse cycle air-conditioner. The 3-way bathroom sits adjacent to bedroom two for added convenience. An open plan kitchen/dining/living is a great space and leads out to the tiled entertaining area. A 4.6mt x 7.5mt shed has access from the rear lane, while the paved rear yard and shade house adds to the appeal and low maintenance that this property offers.
