The home is finished with clean lines and a fresh, neutral colour palette, perfect to pair with any home décor style. The master suite has his and hers walk in robes and a beautiful bathroom tiled from floor to ceiling. Entertain all year round in either of the two patio spaces. One takes in the range views, the other, the ocean, you are certainly spoilt for choice. This property would not be complete without a huge shed to store your vehicles, tools, and toys.
