Views over the River valley

Set on the edge of town within close proximity of the Primary and High School is a lovely family home. Built new in 1985, this Brick veneer home with a tiled roof is currently disposed as three bedrooms, a well-appointed kitchen dining area with a separate lounge room. Other enticing features include split system air conditioning, carport under main roof and being a corner allotment provides additional flexibility. Did I mention that this is a one owner home from new and is in excellent condition.
