

Lot 308 Burton Road, AMBANIA, WA 6632

Perfect add on property that produces

581.00 hectares, 1,435.65 acres

'Korong' presents as a premium Northern Wheatbelt property, with excellent long-term agronomic management and soils in great health.

Set in a scenic landscape, these desirable and easy working soil types are divided into large open paddocks and are conducive to modern farming practices.

Operated as part of a larger, cropping focused family enterprise, 'Korong' comes to the market with little left to do for prospective buyers.

The approximate arable area is 581 hectares (1435 acres), representing approximately 65% of the total area of 'Korong'.

Extensive lime sand application, productive soil types and necessary infrastructure make 'Korong' the ideal add on property in a tightly held and desirable district.
