provide a beautiful setting with a vista showcasing the Warraderry Valley.

The working infrastructure has largely all be replaced in the last 10 years of ownership. Shedding includes a drive through 18m x 26m machinery shed with 6m clearance at the eves. There is a 12m x 15m workshop/truck shed with 4.2m opening roller doors. This complex has an office, kitchenette, shower and toilet. The skillion shed is 8m x 12m is enclosed on 3 sides. The Clipex yards with covered draft and loading race has 2500 head capacity.

The shearing shed is original having 2 Evo equipped units, has been maintained and provides an adequate standard of operation.

The fencing is primarily hinge joint with top barb and plain belly wire and toe wires. The majority has been replaced in the last 10 years, and the centralised laneway makes ease of management when moving stock or plant.

'Narrakup' is the real deal, a well run and managed mixed farm with amazing ability to produce. It's in the highly regarded Grenfell/Gooloogong area with 620mm plus rainfall

The owners despite setting this property up as their forever farm with high investment in capital improvements and farming productivity are needing to relocate and have purchased elsewhere, the property is for genuine sale and is ready for new owners to take advantage of a property that's a turn key operation.
