

715 Royston Lane, LONGREACH, QLD 4730

Well Grassed Property In Longreach - 4,029 Ha Freehold

4,029.00 hectares, 9,955.66 acres

Currently experiencing a fantastic season, "McNallys" is an excellent open rolling Mitchell grass downs property supporting a vast array of native grasses, herbages, Mimosa with scattered shade timbers including Boree, Whitewood, Bloodwood & Desert Lime trees.

Comprising 3 main paddocks & 3 holding paddocks, steel cattle yards with a working capacity of 400 head and steel sheep or goat yards to handle 2000.

Boundary fencing is 1.5m exclusion fencing with 6 wire internals all in very good order.

"McNallys" is exceptionally well watered by 4 large dams, 3 solar systems, numerous tanks & troughs, with individual dual/back up pipelines, linked to a remote tank water monitoring system with major restoration works recently carried out on dams and inflows.

73km South of Longreach with 62km of bitumen access and the remaining 11km of
