

12 Short Street, MULLEWA, WA 6630

Surprises at Every Turn!

From the moment you step inside, this steel-framed, re-clad, 3-bedroom home surprises and delights with its clever layout, bold personality, and thoughtful features.

The heart of the home is the amazing kitchen - complete with a huge double oven, a full wall of pantry storage, and loads of prep space for passionate cooks. Straight off the kitchen is an ideal dining space with windows to the backyard. The living room is freshly carpeted and is finished in striking deep teal. A smartly designed laundry area adds extra functionality without sacrificing style.

The master bedroom features a built-in robe and ceiling fan, and all rooms enjoy the comfort of ducted evaporative air-conditioning. The central bathroom is unexpected with modern design and a spacious walk-in shower.

Step outside to your own private retreat - a fantastic back deck made for entertaining, complete with an outdoor bath that's perfect for relaxing. The fully fenced yard offers rear access to a large shed and hosts multiple spaces including a sunken fire pit. The picture-perfect front lawn and picket fence add instant street appeal and the double carport is a welcome addition.
