Classic Bullaring Farming Opportunity

404.84 hectares, 1,000.36 acres

Here is your opportunity to secure "Narrawa Springs" set in a blue ribbon location south of Corrigin.

Mainly cleared with planted tree lines for shelter, the farm features strong loamy soils, large, easy working paddocks, easy road access and has been well managed by the current lessee as a full cropping enterprise for several years.

There is a comfortable 4-bedroom home, numerous older style sheds, good water storage and older grain and sheep infrastructure.

Current crops are clean and healthy and the property will be available for the new owner to take over in February '26.
