

2/64 Halifax Drive, DAVENPORT, WA 6230

Davenport/Warehouse/Workshop

Available at the end of September is this well-located property on Halifax Drive Davenport. It's 360m2 in size & is tilt panel construction, so it's a perfect place for a workshop.

It's part of a 3-unit complex and has excellent access through an extra-high automatic roller door. There is a small office/reception area at the front of the property and its own toilet/washroom. There is a good-sized shared parking at the front of the property, it is fully bitumenised and fully fenced with double gates.

There is plenty of lighting and the property is safe and secure.

Properties of this size and in this location are hard to come by in this current market, so be quick to secure this one.

Call Mick Caddy for more details or a walk-through of this property.
