

13 Sandridge Road, EAST BUNBURY, WA 6230

Great Location

Here is a great opportunity to secure a prime location on Sandridge Road, East Bunbury and be amongst other successful businesses.

This tenancy is approximately 103m2 and can be used for a retail business or offices. The current fit-out has two offices at the rear of the tenancy, which both open up onto the showroom or reception area. The property is currently getting an internal paint and a general tidy up (so the pictures don't do it justice), and will be available to move into in the coming weeks.

There is good parking and plenty of passing traffic, and I don't expect this tenancy to last long in this location.
