Costa Caliza

Nestled just behind the dunes of West Beach, Costa Caliza combines coastal character with modern comfort. This inviting home features five light-filled bedrooms, including a spacious master suite with walk-in robe and ensuite (2018 extension), plus a carpeted retreat capturing stunning morning views across the fairway.

At the heart of the home is a stylish granite kitchen, boasting a generous pantry, beverage bar, and expansive island bench, all flowing seamlessly into the open plan living and dining spaces. Step outside to a true entertainer's haven, complete with a firewood heater, dining area for twelve, and a large outdoor laundry with additional toilet for convenience.

Designed for easy living, the property offers a single car garage with automatic roller door, two split systems, a gas log fire, and low-maintenance tiled flooring throughout (carpet only in the master suite). From the front door, the Robe Lighthouse stands as a charming coastal landmark.

With an easy-care garden, the soothing sound of the ocean, and a location that's second to none, Costa Caliza is a rare find - and one that's best experienced in person.
