Nothing between you and the ocean!

Directly opposite one of Geraldton's most loved beaches, this spacious four-bedroom home in Tarcoola Beach captures the best of coastal living with room for the whole family.

Upstairs, three bedrooms share a family bathroom, with two enjoying ocean views and balcony access - the perfect spot to watch the waves roll in. A fourth, oversized bedroom downstairs offers flexibility for guests or extended family, while a separate study or 5th bedroom, provides space to work from home.

Living areas are generous and versatile, with a formal front lounge featuring high ceilings and a built-in bar, a separate dining room, a large family room and an additional games room. At the centre, the kitchen connects each zone, making the home ideal for both everyday living and entertaining.

Outdoors, the tiered backyard offers a mix of lawn and established gardens, including a mature olive tree, all within a secure, fully fenced setting. Side access to a double garage adds practicality for families with extra vehicles, boats or trailers.
