

128 Berida-Bullagreen Road, COLLIE, NSW 2827

'Artora & Sunvale' – Scale, Productivity & Location

1,125.60 hectares, 2,781.36 acres

128 Berrida-Bullagreen Road, Collie NSW 2827

[1,125.6 Ha | 2,781.38 Ac]*

'Artora & Sunvale' presents an exceptional opportunity to secure a highly productive mixed farming enterprise in the tightly held Gilgandra district. Spanning 1,136.1 hectares (2,807.3 acres*), this well-balanced holding combines quality cropping country, reliable grazing, excellent water security and outstanding infrastructure-all within easy reach of key regional centres.

The property features approximately 500 hectares under chickpeas, barley and wheat, 130 hectares in fallow, and 490 hectares dedicated to grazing, currently carrying around 100 cows. Soils range from sandy loams along the Marthaguy Creek to fertile red-brown and grey loams to the north, supported by established timber providing natural shelter.

Water security is a standout, with 2 fully equipped bores, 14 dams, 6 troughs, over 116,000 litres of tank storage, and 2.7 km of dual frontage to the Marthaguy Creek with permanent waterholes.

Improvements are extensive and include a 5-stand shearing shed, sheep and cattle yards, multiple large workshops and machinery sheds, grain silos (210t capacity), and a modern Rural Fire Brigade shed. A comfortable 4-bedroom weatherboard cottage with renovated kitchen, large living areas, covered verandahs and established yard provides a welcoming homestead.

Located just 22 km from Gilgandra, 86 km from Dubbo and within easy reach of major markets, 'Artora & Sunvale' is a versatile, well-developed farming enterprise offering scale, security and productivity.
