PRODUCTIVE 930-ACRE MIXED FARM - QUALITY INFRASTRUCTURE & RELIABLE HISTORY

376.36 hectares, 929.98 acres

Presenting a standout 930-acre mixed production farm offering scale, versatility and a strong history of agriculture success. Well-maintained and exceptionally practical, this property is ideally suited to broadacre cropping, livestock or a combination of both.

The farm features excellent fencing throughout, ensuring efficient stock management and easy paddock rotation. A fully recycled water irrigation system, supported by 2 MIL wheels, provides valuable reliability and production flexibility across the seasons. Soil types range from productive sandy loam through to heavier clay, allowing for a wide variety of cropping and grazing options.

Infrastructure is a major highlight, with new high-quality sheep yards constructed in 2024, a 3-stand shearing shed, and proven operational layout. The comfortable 4-bedroom brick home provides a solid base for farm living, with the space and functionality expected on a property of this size.
