North Beach Farm – Repton, NSW Exceptional Riverfront Lifestyle & Productive Coastal Holding

70.27 hectares, 173.64 acres

69.45 Ha | 171.6 Ac* | 7 Titles | 270 m Bellinger River Frontage | Private Airstrip

A rare opportunity to secure a premium riverfront property in the tightly held Mylestomâ##Repton precinct on the NSW Mid North Coast. North Beach Farm delivers the perfect balance of coastal lifestyle, productive agricultural land and unique infrastructure seldom found so close to the ocean.

The property features approximately 270 metres of pristine frontage to the Bellinger River, providing direct access for fishing, crabbing and water-based recreation. A recreational water entitlement further enhances the offering, allowing for the construction of a private jetty (STCA).

Ideally positioned just 2.5 kilometres west of the seaside village of Mylestom and its renowned surf beaches, the property enjoys outstanding convenience while retaining privacy and rural tranquillity.

Accommodation includes a recently renovated three-bedroom, one-bathroom main residence capturing beautiful river views, complemented by a fully renovated two-bedroom cottage, ideal for guests, extended family or additional income.

The land comprises fertile alluvial river flats, well suited to grazing or equine pursuits. Under current management, the property comfortably carries approximately 100 breeding cows and calves, highlighting both productivity and versatility.

A standout feature is the private airstrip, providing rare and valuable access for aviation enthusiasts, business operators or lifestyle buyers seeking exceptional connectivity.

Held across seven separate titles, North Beach Farm presents flexibility for future use, investment or asset management.

An exceptional coastal holding offering lifestyle, productivity and infrastructure - all within minutes of river and beach.
