BROWNLOW PIGGERY

227.88 hectares, 563.09 acres

Established commercial piggery set on 227.8* hectares, offering existing production infrastructure and immediate operational capability.

Brownlow Piggery presents a turnkey opportunity for producers or investors, featuring multiple shedding areas configured for pig production, supporting feed, water and utility infrastructure, and an efficient site layout suited to large-scale operations.

The substantial landholding across multiple titles provides strong agricultural capability, with scope to upgrade, expand or increase capacity (STCC), all within an established primary production district.

Secure a working piggery with scale, functionality and a very good standard of improvements for the asset class.
