

15 Westral Street, BRUCE ROCK, WA 6418

Newly Renovated & Immaculately Presented on a Spacious Corner Block

15 Westral Street presents as a beautifully newly renovated home and a true credit to its current owners, who are now relocating. Solidly constructed with hardiplank and iron, the property is ideally positioned in a central town location on a generous corner block.

Inside, the home offers three comfortable bedrooms and a stylishly updated bathroom complete with shower, bath and toilet. The addition of reverse cycle air conditioning ensures year-round comfort, while the practical kitchen features an electric stove and pantry for everyday convenience. A spacious lounge provides a welcoming living area, complemented by the added benefit of a second separate WC.

Stepping outside, the property continues to impress with a full-length veranda, enhancing both the home's street appeal and natural cooling. The fully fenced yard offers privacy and security, with rear lane access and excellent infrastructure including a powered single door garage/workshop and water tanks-perfect for storage, hobbies or sustainable living.

This is a fantastic opportunity to secure a move-in ready, newly renovated home in a sought-after location, ideal for homeowners or investors alike.
