

## TARA QLD 4421

Little house on the prairie!

**15.73 hectares, 38.86 acres**

Set on 38.86 acres this very neglected log cabin will need alot of elbow grease, a few trips to the local dump and a bit of ingenuity to bring it back up to its original condition. Power is accessible from the road, otherwise a new solar set up would be ideal. Large dam and circular driveway, various small sheds, with a lick and a promise, this will be an ideal getaway.
