

TARA QLD 4421

Owner has said SELL, he's no longer moving onto the property.

12.00 hectares, 29.65 acres

What can I say, it is what it is! How the 30 acre property is in its present state, is how he is selling. Weekender type cabin with solar panels on 30 acres with a large dam. There is a power pole on the property with a meter box. Ramshackle cottage needing plenty of elbow grease, plenty of dump runs, a womans touch and a mans ideas. Address will only be given out on inspection due to the nature of the listing.
