A Heavenly Transformation

The current owner who acquired this property 5 years ago has transformed this tired, unloved (circa 1960) church into a stunning home. As the building previously had limited services absolutely everything has been either replaced or upgraded.

The new owners will enjoy spacious open plan living with split system air conditioning keeping the temperature just right. Other features include a fully appointed chefs' kitchen with gas stove, generous bench space, island bench, dishwasher and excellent lighting, a separate butler's pantry, spacious master bedroom with split system air conditioner, brand new bathroom with large shower, vanity, toilet and it also incorporates the laundry.

Outside your storage needs are covered with a 7m x 14m steel framed shed with concrete floor, while there are provisions for lights and power, these are yet to be connected. There is a new septic system, lovely lawns and 8 kw solar system. Side lane access provides ease of entry.

As quality properties such as this are rare in the Cadell market you had better pray you do not miss this one.
