Beautifully Presented Rural Retreat - Off Grid Living

117.50 hectares, 290.34 acres

Set on 117 ha or 288 acres of virgin bushland is the perfect weekend getaway or permanent family home. Built new in 2008 this spacious Rivergum home was designed to cater for large families. Five of the six bedrooms have built in wardrobes with the master suite having a walk-in robe and ensuite bathroom. The house has a generous open plan living area which incorporates a well-designed timber kitchen incorporating, cook top, under bench oven with rangehood.

As the property is devoid of services, off grid living is the order of the day. The property has substantial water storage via a concrete water tank with power being supplied by a generator. The 8m x 5.8 m double garage under main roof provides secure storage for cars and motorbikes.

This virgin bush block with mature mallee trees and an abundance of native shrubs provides elevated views of the adjoining countryside. Quality recreational properties within 4 kilometers of the river such as this, are rare in the current market.
