

MURDINGA SA 5607

Former Grain Storage Facility Across Multiple Titles

2.24 hectares, 5.54 acres

Offered across multiple freehold titles, the property comprises approximately 2.24 hectares and provides established grain infrastructure with approximately 23,400 tonnes of storage capacity.

The site offers flexibility for a range of future industrial, storage or rural applications (STCC), with existing road and rail infrastructure enhancing its long-term potential.

Key features include:

- Approximately 23,400 tonnes of storage capacity
- Freehold land offered across multiple titles
- Existing grain shed, concrete vertical storage and welded steel storage
- Road and rail loading capability
