

WUNKAR SA 5311

Established Regional Holding with Infrastructure and Redevelopment Potential

4.16 hectares, 10.28 acres

Comprising approximately 4.16 hectares across two freehold titles, the property includes existing grain storage infrastructure together with additional vacant land, offering flexibility for storage, industrial use or future redevelopment opportunities (STCC).

While grain operations ceased several years ago, the site provides a substantial regional holding with existing infrastructure and scope for a variety of future uses.

Key features include:

- Approximately 6,600 tonnes of existing storage capacity
- Approximately 4.16 hectares across two titles
- Existing grain storage infrastructure
- Additional vacant land component
