"Alloura-Q" Productive Southern Downs Grazing Opportunity!

126.67 hectares, 313.00 acres

Set in the highly regarded Southern Downs region, "Alloura-Q" presents an outstanding opportunity to secure 126.67 hectares (approximately 313 acres) of quality grazing country, ideally suited to cattle production or as a lifestyle grazing enterprise.

The property features a balance of open to semi-open native grazing country, complemented by attractive granite outcrops and established shelter belts that provide excellent stock protection while enhancing the natural beauty of the landscape. There is scope to further improve productivity through the establishment of improved pasture species.

A reliable water supply is provided by Hardy's Creek, which traverses the property, together with several strategically located stock dams, ensuring year-round water for livestock.

Infrastructure has been thoughtfully developed for efficient livestock management and includes:
