

Ferguson Way, WANDERING, WA 6308

Six New Industrial Lots At Wandering

Recently subdivided in the Shire of Wandering these six new lots have been provided to enable new business to establish in the town. Zoned Industrial and ranging in area from 2502 m² to 4005 m² the lots have mains electricity to each lot, street lighting and good road access. Located close to Wandering CBD and adjacent to established businesses the lots can provide an opportunity for development of a new regional base for your business activity.

Buyers will be required to put forward a development concept plan and comply with Wandering Shire planning objectives. Buyers are required to fence the lots and commence development within two years of purchase.

Interested parties should obtain contract requirements from the selling agent prior to submitting offers.
