- Built and designed to comply with Halal requirements.
- Self sufficient water supplies with a 75,000 kl water license plus RO plant .

This presents as an opportunity to secure an abattoir that was fully operational until only a few weeks ago with the ability to process both sheep and cattle for the domestic market. An audit has been conducted to obtain Tier 1 export accreditation and from the information provided the work required is not onerous. The facility had approvals and accreditation's required to recommence operations subject to ongoing compliance. Management and staff are available subject to individual negotiation with any new operator.

- Land Area 24.77 hectares
