Solid Timber Family Home - Vacant Possession - St George

Family opportunity to buy and live in St George with this four Bedroom home in Church Street, ST George SW QLD. The main home has three bedrooms with built in cupboards in the main and second bedroom. The fourth bedroom is the granny flat, which has a kitchenette and is separate to the lowset timber home.

The owners have installed a new kitchen which looks smart and has soft close drawers, overhead cupboards making good storage and a dishwasher.

The large living room and dining area adjoining the kitchen have a large split system to ensure your comfort during our hot summers. The living room has french doors opening onto a north east facing porch which allow winter warming light to enter the living area.

The covered outdoor area across the back of the home adds another living area to this home. A good sized laundry is off the outdoor area.

The well established lawns and garden provides an inviting feeling on entry to this well maintained home. I recommend to you this great little property. Ring Janette 0419988839
