

CAMP CREEK QLD 4871

Auction; Thursday 31st March 11:00am Atherton International Club

82.00 hectares, 202.62 acres

Lots 1, 2, 12 82.661 ha * 204 acres.

Fattening block.

The property is in a high value area with rich red chocolate, yellow clay and sandy loam soils giving a good mix of country. Approximately ninety percent of the area is usable and pastured under Guinea and Hamell grasses. The paddocks would be suited to cattle or farming. The block has a sturdy steel frame shed.

Key Features

- * 82.661 ha prime arable land
- * Three titles
- * Steel framed shed
