

North West Coastal Highway, NANUTARRA, WA 6751

500 Acres of Pilbara freehold

202.34 hectares, 499.99 acres

Environment, Tourism, Lifestyle or Hideaway

This may well be the largest freehold lot available to buy in the Pilbara with 1.5 kilometres of Ashburton River frontage where there is a large pool in the River.

Only 2 kilometres from the Dampier to Bunbury gas pipeline compressor station 2 and 20 km as the crow flies from Nanutarra Roadhouse.

This truly is a rare opportunity as freehold land of this size is almost unprocurable in the Pilbara, ideally located for an environmental project, close enough to the Northwest Coastal Hwy for a tourist park, cattle depot yards or just develop your own off grid sanctuary by the River.

There is a 20 litre per second bore with fresh water and the Ashburton River has not stopped flowing since they started keeping records.
