The master bedroom has a walk-in robe and its own ensuite, and offers a big window looking out over the front yard, but with the ultimate privacy from hedges in the front.

Walking through to the open plan living area, you'll be pleasantly surprised by the space that abounds. The kitchen offers ample bench space, a huge breakfast bar, and lots of undercover storage, with stainless steel appliances including a gas hot plate and wall oven, the perfect place to cook up a storm while you can keep an eye on the family. Next, the meals area, and then dividing the room from the games room at the rear a half wall and a feature pillar.

The kids' bedrooms lie off the hallway to the right with easy access to the laundry and the main bathroom boasting a shower and a separate bath.

The rear yard is bordered completely with established gardens and is an easy care, smaller space perfect for the fur babies, but not too much to look after!
