COUNTRY LIVING DONE RIGHT....

Behind the picket fence and welcoming front porch, this beautifully rebuilt Queenslander is a home with heart and a story of craftsmanship. Thoughtfully reimaged from the ground up, it retains all the character of its era - polished timber floors, tongue-and-groove walls, and timber casement windows - while delivering the peace of mind that comes with modern construction. With steel stumps, a new roof and low-maintenance Sycon cladding, every element has been selected to honour its heritage and ensure lasting quality.

Set on a fully fenced and beautifully landscaped 1,374m² block just 600 metres from Atherton's Main Street, the property also boasts a high-clearance 100m² masonry shed at the rear perfect for tradies, hobbyists or home-based business owners. This is timeless Queenslander charm with the shed of your dreams!

Home highlights:

- Classic Queenslander features: gable roof, verandas, high ceilings, VJ walls, and Red Tulip Oak & Blackbean timber floors.
- Spacious open-plan living, kitchen and integrated dining area complete with pot belly fire for cosy winter nights.
