The commercial kitchen is state of the art, with all equipment purchased new and still under warranty.

In addition to the food offering, the shop features a range of country style giftware and homemade jams and preserves, perfect for gifting or indulging.

The current owner is happy to provide full training and share their cherished recipes, ensuring a smooth handover and continuity of the business's success.

This is an ideal opportunity for anyone looking to put their personal stamp on an established business with a strong reputation and loyal customer base.

The business has recently become a registered homecare provider with Trilogy Care, and an online presence with "Click and Collect" on the current website is ready to launch.

With a foundation built on quality, community and care, this business is ready for a passionate new owner to take it to the next level. There's great potential to extend trading hours, expand into more catering, or introduce new menu items to suit your vision.
