A Serene Daisy Hill Hideaway

Tucked away in a peaceful pocket of Daisy Hill, this is the kind of home that instantly slows you down the moment you arrive. From the street, it feels private and calm, and as you step inside you are welcomed by natural light and beautiful raked timber ceilings that create a sense of space and character rarely found in modern homes. The open plan living, dining and kitchen sit at the heart of the home, designed for everyday living rather than just appearances. It is a space where conversations carry, meals linger and family life naturally unfolds.

Large windows draw your attention outward to the greenery beyond. With a tranquil outlook across the forest reserve, there is a constant feeling of connection to nature while still enjoying all the convenience Daisy Hill offers. Entertaining is effortless here. The expansive outdoor area becomes an extension of the home, perfect for long lunches, weekend gatherings or simply a quiet coffee in the morning air. There is also side access and ample room for those thinking about adding a pool or creating a granny flat in the future, giving flexibility as your needs evolve. Side access with space for caravan or boat storage.

Featuring three bedrooms and two bathrooms and positioned within walking distance to John Paul College, this home offers comfort today and potential for tomorrow. More than just a property, it is a place designed for calm living in a location families hold
