

10 Slack Street, UPPER COOMERA, QLD 4209

Your Family Deserves the Best!

Freshly renovated with families in mind, this is the kind of home where life feels a little easier from the moment you walk through the door. Contemporary finishes, warm neutral tones and thoughtful updates create an inviting atmosphere, while the larger than expected wrap around yard offers the space so many growing families are searching for. Whether it's watching the kids and pets play after school, hosting weekend BBQs with friends, or simply enjoying a quiet morning coffee while little ones play safely outside, this home has been designed to make everyday moments feel special. It's modern, low maintenance and ready for your family's next chapter.

Offering four generous bedrooms, two beautifully appointed bathrooms and a double garage with a durable epoxy coated floor, every detail has been carefully considered. The Main Bedroom is Airconditioned as is the Living Room to provide year round comfort. New floating timber flooring flows throughout, complementing the soft neutral palette and creating a timeless backdrop for any style.

Cleverly designed living zones provide peaceful little escapes inside and out for parents, kids or teenagers to unwind, while the fully fenced yard delivers both security and space to roam. Included in the renovations is a freshly painted roof, adding to the home's impressive street appeal and ensuring you can simply move in, unpack and start making memories.
