LIFESTYLE RIVERFRONT ACREAGE @ BURRUM HEADS

64.75 hectares, 160.00 acres

This lifestyle acreage (64.75 hectares or 160 acres) is ideally located just up river from the Burrum River mouth at Burrum Heads. It offers total privacy and seclusion adjoining the Burrum National Park on two sides, plus the river on the Northern boundary. The access road is a "no through" access via the National Park. There is a comfortable cottage of two bedrooms plus a second transportable accommodation unit (one bedroom) on the property, with three main workshops and sheds with concrete aprons and other outbuildings. The property is mostly timbered and is partially fenced. Being just 1.5 kilometres from the river mouth this is a rare lifestyle acreage.
